RE: TESTIMONIAL FOR MR. ALEMNEW DESSIE SHIBABAW

Mr. Alemnew Dessie Shibabaw, has been employed as a pharmacist at Central Medical Store, in the Ministry of Health and Social Services in Namibia since September 2014. He worked as Warehouse manager in Distribution Section, where one of his main tasks responsibilities was uploading and monitoring National Pharmaceutical Management Information system dashboard stock status.

He participated in support supervisory visits to various health facilities in the country and also participated in the review of national drug policy, pharmaceutical supply & quantification national working group together with other key staff members in Pharmaceutical services division. He also participating in the formulation of National Pharmaceutical budgeting. He is also participated in the formulation of automatic or computerized stock management system and hence one of the experts in that system.

Mr. Shibabaw is highly organized, reliable and computer literate especially in excel program. He works independently and usually meets deadlines and completes tasks assigned to him on time. He is flexible and is always willing to work on any project that is assigned to him. Mr Shibabaw is responsible and committed to his duties and has great entrepreneur skills, and good general understanding and problem solving skills.

I am therefore confident that with his above stated personality traits, he has ability excel to any task assigned to him.

Thank you

Yours Sincerely
